

Health and Illness

- Tell your partner about the last time you were ill (talk about your symptoms, your treatment ...etc)
- Do you regularly go to work even if you're ill? Why/not?
- What are some home remedies for the common cold in your country? How effective are these remedies? Please explain.
- If you died prematurely, would you want your organs donated? Why/not?
- Have you ever had an operation?
- Are you allergic to something?
- Have you ever fainted?
- Have you ever had to help someone who suddenly felt unwell?
- Some people have a dislike of medicine, avoiding them unless necessary. How about you?
- What do you think of our health system?
