Then a bell rings and “men” need to stand up and move to their right to start a new conversation and the whole process is repeated again.

2. What's the worst place you've been to?

6. What countries would you like to visit? Why?
7. Would you go on a package tour?
8. What type of accommodation do you like to stay in when you travel, for example, hotel, tent, apartment?
