

May" and "Might" Questions

Students ask each other these questions and answer using either "may" or "might".

Target Language:

A: Where do you want to live in the future?

B: I may live in America or I might go to Australia.

What are you doing after the lesson?	How many children do you want to have?	What are you going to do this weekend?
What are you having for dinner this evening?	Where will you go on holiday next summer?	Who is the best student in this class?
What will the weather be like tomorrow?	What is the most beautiful city in your country?	Where is the most expensive place in your country?
What will you do if you get a headache tonight?	What are you going to do at Christmas?	What film do you want to see at the cinema?
What are you doing tomorrow morning?	What will you wear tomorrow if it rains?	What will you do if your next English lesson is cancelled?
