TABLE MANNERS

A detailed photograph of a dining table set for a meal. The table is made of light-colored wood and is covered with a variety of dishes and glassware. In the foreground, there are several blue-tinted glasses, some containing water. To the right, there are white ceramic cups and saucers. In the center, there is a centerpiece of blue and white flowers with green leaves. On the left, there are woven placemats and plates. The background is softly blurred, showing more of the table and a window with natural light.
