

WRITING : A NARRATIVE

You are going to write a story beginning with sentence *It was three o'clock in the morning when the phone rang.* Look at the word cloud below and try to use most of the words in it. Then look at the collage of thirty pictures and include, at least ,half the pictures in the collage.

in fact
nevertheless
fortunately reasonably despite
on the one hand immediately
even though yet
on the contrary on the other hand
although in spite of unfortunately
whereas suddenly however
