

Phrasal verbs with “go”

In pairs or in small groups, talk about the following:

- Is there anything you keep putting off because you don't know how **to go about it**? (Tools online, projects, a gadget you have recently bought...etc)
- I can't stand people who **go on (and on) about** their work. What about you?
- Is there anything you can't **go without**? Why?
- Thinking about TV programmes, is there any you have **gone off**? Why?
- Can you remember something you didn't want to do but finally **went along with** and turned out a great idea?
- What's **going on** in Spain nowadays?
