

## Read Anna's email

Hi!

How are things? Did you enjoy the party last weekend? Who went? What was it like? Tell me all about it.

I'm writing to ask you for some advice. Luke's behaving strangely. Last night he was late for our date, I asked him where he'd been, and he said he was late because he'd had a lot of homework. But I think he was lying. I'm afraid he's seeing someone else. We've arranged to meet tomorrow but I'm feeling confused. Do you think he's cheating on me? What should I do?
