

OPINION ESSAY: TOPIC: STARS AND FOOTBALLERS ARE PAID TOO MUCH MONEY

WRITING AN ENGAGING INTRODUCTION

Let's use a "**3-Sentence Formula**" to make it easy for you to remember and write. A good introduction only needs three clear parts:

1. **The Hook:** A simple question or a "Big Number."
2. **The Connection:** Say that people are talking about this.
3. **The Opinion:** Say what *you* think.

Step 1: The Hook	Step 2: The Connection	Step 3: Your Opinion
A. Did you know that some football players earn \$1 million a week?	1. This is a very common topic of discussion nowadays.	W. In my opinion, these stars are paid too much.
B. Is it right for a singer to be richer than a heart surgeon?	2. Many people today are worried about this situation.	X. I believe their salaries are far too high for what they do.
C. Is it fair that a footballer earns more in one day than a nurse in a year?	3. This has become a major debate in our society today.	Y. In my view, they deserve it because their careers are very short.
D. Nowadays, some famous singers earn millions for just one concert.	4. Many people have different opinions about this situation.	Z. From my perspective, they deserve high pay because they entertain millions of people.

The Conclusion: The Final Word

2. Summary	Briefly mention your two reasons.	" After looking at [Reason 1] and [Reason 2], it is clear that "
3. Final Thought	A "Mic Drop" sentence for the reader.	Option A: "Perhaps in the future, salaries will be more balanced for everyone." Option B: "Ultimately, we pay for what we value most: entertainment."
